I am not sure I understand what you mean by "situated in your former work unit" because you no longer report to your former supervisor.

Please let me know.

Subject: Continuance of employment in Personnel Services/Request to move

Claudette,

As discussed, if possible I would like to continue my employment with ACS within Personnel Services. I admire your work ethic and I definitely feel that I can be an asset to your Division. In addition, based on my prior complaint, I am requesting to be moved to a space closer to you that you deem appropriate. Though I continue to conduct myself in a professional manner in carrying out given directives; I must admit that there is a level of discomfort with still being situated in my former work unit.

I appreciate your consideration of these requests.

Thanks and be well,

That is not a requirement to sit closer to me if you report directly to me. I will examine the possibility of moving you to another location, but as I mentioned to you before, there are no vacant offices and I don't think a swap with any other member of staff is feasible at this time.

I will keep you updated.

Good morning Claudette,

As I expressed to you in the beginning, I thought it would be best and easier for me if I sat closer to you since I directly report to you. Thanks
